

F250 fitted with 4" leaf springs and 45mm Big Bore Toughdog Adjustable shocks.

Close up of Return-to-Center steering Stabilizer

F250 2003-on

There is a choice of medium and heavy duty springs for the front end of this vehicle.

Original rubber bonded bushes are used for the spring eyes.
45mm bore Big Bore Adjustable shocks are used in this application.

* Freight should be added where required. *

To determine what load you are carrying remember to include the weight of all passengers & driver in the total weight.

FORD : F250 4WD
